To Whom It May Concern:

Greetings!

I am writing to recommend Mr. Kunal Nihalaney for employment in the field of digital marketing. I have known Kunal since he began his Digital Marketing internship at Relevé Fashion in October 2022.

Throughout his internship, Kunal contributed significantly to our marketing initiatives, providing quality work, which included content creation and newsletter design. He showed diligence and enthusiasm in performing his digital marketing duties, as well as other tasks that were assigned to him.

Kunal exhibited his eagerness and initiative to learn and gain experience in new areas of marketing and did a good job in helping accomplish our marketing activities. Furthermore, Kunal has a pleasant disposition, which made it a pleasure to have him work with us.

I recommend Kunal for employment within the digital marketing department of your company. I am confident that he will excel and will be an asset to your organisation.

Best regards,

  
Andrea M. Gomez
